Nasir Mehmood

Chairman

A distinguished entrepreneur with over two decades of diverse experience in manufacturing, shipbreaking, textiles, investments, and real estate, Nasir Mehmood serves as the visionary Chairman of Berkleys Homes. He is also the Group Managing Director of the Fatima Group of Companies, where he has developed a reputation for excellence and strategic insight. Nasir is deeply committed to community engagement, with active roles in organizations such as the Rashid Paediatric Centre and Pakistan Association Dubai. Known for his leadership and dedication, he continues to make substantial contributions to the real estate industry.

Firoz Barucha

CEO

With a Master's degree in Business Administration and an accomplished background in the high-end garments and textile industry, Firoz Barucha shifted his focus to real estate in 2006. He has since established himself as an expert in corporate investments and Dubai's real estate landscape. Renowned for his creativity and ability to forge innovative collaborations, Firoz is passionate about shaping new opportunities within the industry and has successfully managed diverse property portfolios across Dubai.

Mashood Azam - Mash

Director of Sales and Marketing

Bringing over 20 years of experience in sales and marketing and a decade of real estate expertise in Dubai and the UK, Mashood Azam is a Certified Real Estate Specialist. He is skilled at assisting family offices, seasoned investors, and first-time buyers in building profitable property portfolios. Known for his integrity and extensive market knowledge, Mashood ensures a seamless experience for clients, allowing them to focus on their careers while he manages the complexities of their investments. His specialization in luxury homes and multiple-unit investments further adds value to Berkleys Homes' client offerings.
